

GREAT NEWS about child care

for CHILDREN (0-14)
SPECIAL NEEDS !

SB 1703

INCLUSIVE CHILD CARE PROGRAM IS HERE

Parents of children with special needs!

If you are seeking meaningful, successful participation for your child in a child care program, we are increasing the number of providers, recreational and after school program staff trained to care for children with special needs or disabilities!

Child Care Providers!

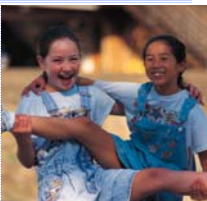

If you need assistance with including a child with disabilities in a child care program, we offer FREE child-specific consultations allowing for successful child care placement!

Parents or providers seeking FREE assistance with including a child with disabilities or other special needs in a child care setting, call

Exceptional Family Resource Center at 1-800-281-8252

To get answers to specific questions regarding the Project, contact Barrie Owens, Project Director, at (858) 794-1923 or barrie@kitonline.org

Provides training and technical assistance to recreational, social and child care programs that include children with and without disabilities or other special needs.
www.kitonline.org

Offers support, resources, information and referrals for families of children with disabilities and the professionals who assist these families.
www.efrconline.org

Provides referrals to parents needing childcare for their children with special needs, resources for choosing childcare, and other information

* Funded through the California Department of Education, Child Development Division and contracted through YMCA Childcare Resource Service, a department of the YMCA of San Diego County.
